

Community Exhibitions at the Bakewell Old House Museum

We help community organisations to co-produce exhibitions in our dedicated space.

The Community exhibition rooms can be configured to suit the needs of your content.

As an Accredited Museum, operated by the Bakewell & District Historical Society, we are in a position to help you to co-produce a high quality museum exhibition. A 360 photograph of the space can be seen via the link below.

The exhibition will typically be available to the public for 3.5 or 7 months (the museum is open to the public 25 March to 5 November each year).

If you are an interested local history group, school, uniformed youth group or other community organisation, we want to speak to you!
